

## E. P. “Tom” Sawyer State Park

This 580 acre park found within the urban landscape of the city of Louisville serves as the only state park within Jefferson county. The park encompasses both active and passive recreation and leisure pursuits. Recreational facilities include an Olympic size outdoor pool, fully functional gymnasium with basketball, badminton, and pickleball courts, athletic fields for soccer, lacrosse, and flag football, a three field softball complex, tennis courts, archery range, radio controlled airfield, and BMX bicycle track. The park offers some of the finest natural settings in the Metro area with the Goose Creek nature trail and large meadow and forested green space. The Louisville Dog Run Association calls the park home with a fenced in six acre track for dogs to enjoy. Outdoor adventure and enjoyment is also available with the Louisville Astronomical Society Urban Astronomy Center and Senior Community Gardens. Meeting space is abundant in the park with small class rooms in the administrative building or the large reception hall and conference room found at the new Sawyer Hayes Community Center. The park also has three picnic shelters scattered around for family, corporate, and civic celebrations.
